POV: -
STORY / HOOK: An experimental Time Gun misfires, sends our protagonist demigods (and their rivals) back to before Part 3.5 (see Round 87)
INVENTORY: Parts of the Time Gun; weapons present from Part 3.5 as character equipment
MECHANICS: Individual "missions" per demigod, to recover relics / parts of the Time Gun; all the demigods come together at the end to create the Time Gun; figure out which demigod is plotting to use the Time Gun for their own ends to achieve the True Ending
OBJECTIVE: Recruit magical beings, other followers, acolytes, and your past self to support your cause in returning to the future (present), while also maybe ensuring that future (present) still happens; ultimately, recreate the Time Gun
